THE FALCON FILE

For five years Falcon Studios has delivered to select connoisseurs the strongest cinema images possible in the field of heavy-action gay erotica. The most attractive male models available have performed before Falcon's cameras and many of them have become your all-time fantasy favorites.

Now, for the first time, Falcon Studios dips into its extensive files of film stills and presents here a rare collection of nineteen Falcon stars who have pleased you most —Dean Chasson, Joe Markum, Bill Eld, John Holmes, the Christy twins, Gordon Grant and Michael Delfino, to name but a few.

So, refresh your memory . . . and enjoy!

THE FALCON FILE, Volume One, Number One, June 1977, is published quarterly by London Enterprises Limited and distributed by Lyndon Distributors Limited, 15756 Arminta St. Van Nuys, California 91406. No portion of this publication may be reproduced in any form without written permission from the publisher.
